

## **Q3 Innovations Appoints Tanya Greiner to CFO September 20, 2007**

Independence, Iowa based Q3 Innovations is pleased to announce that Tanya Greiner, CPA, has accepted an offer to become its Chief Financial Officer. Brian Eddy, CEO, said "We are delighted that Tanya has accepted our offer to become CFO of Q3 Innovations. We are confident that Tanya's strong accounting knowledge, as well as her extensive experience as a Senior Auditor as a CPA, will add great value to Q3 Innovation's management team as we continue our growth."

Mrs. Greiner, a 1993 graduate of Independence High School, obtained her B.B.A. in Accounting from the University of Iowa in 1997. Prior to joining Q3 Innovations in 2006 as the Controller, Mrs. Greiner served as a Senior Auditor for Theobald, Donohue & Thompson, P.C. in Fairfield (2000 – 2004) and a Senior Auditor for Deloitte & Touche, LLP in Cedar Rapids (1997-2000). Mrs. Greiner and her husband, John, have 2 daughters, Elle and Sarah, and moved back to their hometown of Independence in 2006.

Q3 Innovations, LLC, a privately held company that began operations in 1999, is a leading designer, developer, and distributor of innovative personal safety and monitoring products. Their product lineup includes the AlcoHAWK® digital breath alcohol detectors, the ThermoHAWK infrared thermometers, the UVHAWK ultraviolet light meters and the newest line of RadarHAWK radar/laser detectors.
